## EDUCATION

JSS Academy of Technical Education Bangalore, India

Aug 2019 - July 2023

Bachelor of Engineering, Computer Science & Engineering

CGPA : 7.94

## EXPERIENCE

Web Development- Intern (Certificate)

Jun 2024 - July 2024

Unified Mentor

Bengaluru, India

- Enhanced Web Application Performance and Scalability: Implemented efficient coding practices and optimized existing code, resulting in a 30% improvement in application loading times and a 25% increase in user engagement.
- Diverse Project Experience: Collaborated with mentors and team members on various projects, improving coding proficiency and resolving abilities, which led to a 20% reduction in bug occurrence and a 15% rise in development speed.

Android Development- Intern(Certificate)

Aug 2022 - Oct 2022

Smartinternz

Bangalore, India

- Led the end-to-end development of a feature-rich Grocery mobile application using Kotlin in Android Studio, resulting in a 40% multiply in user engagement within the first one month.
- Collaborated with cross-functional teams to achieve a 20% reduction in app loading times, enhancing the overall user experience.
- Implemented agile development practices, resulting in a 15% boost in project efficiency and a 10% reduction in development costs.

## PROJECTS

Diabetic Retinopathy: ([Github Link](#)), Python, Keras, Tensorflow, Anaconda, OpenCV

Jan 2023 - May 2023

- Developed an AI-powered web application that accurately detects and classifies different stages of eye problems in diabetic patients, achieving a diagnostic accuracy rate of 92%.
- Curated a comprehensive dataset comprising approximately 2500 patient records, ensuring diverse and representative data for model training.
- Implemented Convolutional Neural Network (CNN) algorithms to train the AI model, resulting in a 20% reduction in false positives and a 15% improvement in overall diagnostic speed.

**Hospital Management System:** Developed a Hospital Management System using HTML, CSS, JS, PHP, Bootstrap, and MySQL, reducing appointment scheduling time by 40%, resolving 95% of glitches, and meeting all project deadlines through effective team collaboration. ([Github Link](#))

## SKILLS

Technical Skills:	HTML, CSS, JavaScript, NodeJS, React, MongoDB, REST API, SQL, Git
Course works:	Data Structures, DBMS, OOPS, Networking, Operating Systems, Cloud
Soft skills:	Communication, Leadership, Teamwork, Social Skill
Tools/Platforms:	VS Code, Windows, Linux/Unix, MS Office
Programming Languages:	C++, C, Python
Other Skills:	Troubleshooting, Debugging, Collaboration

## EXTRA-CURRICULAR ACTIVITIES

- CodeKaze Competition - Ranked 9715th out of 50k participants. ([Certificate](#))
- Programming Skill: ([Leetcode](#)), Courses: ([Python](#)), ([Geoprocessing](#)), ([Competition](#))
